A warm and enthusiastic HELLO to all of you.

We had a fantastic WORLD YOGA DAY 2010. Nearly 350 schools/teachers collected €27,000/\$37,600 in donations for Médecins Sans Frontières. This is a wonderful achievement as it means help and relief for many people.

Thank you all we are so happy and proud to join forces with you.

WORLD YOGA DAY 2011 will take place on the 30th of January, 2011. Hopefully all of you will join us again. If you have suggestions please let us know.

Namaste and lots of great energy,

WYD Team
